Mr. Donald J. Simon  
Acting Chief, Records Management Division  
Department of the State  
Washington 25, D. C.

Dear Mr. Simon:

I wish to thank you very much for the courtesies extended to [ ] and myself on 25 March by Mr. Patterson of your Staff.

The trip to your relocation center and tour of your evacuation records setup, conducted by Mr. Patterson, was very informative as well as pleasant.

I am certain that both of our programs will benefit from the exchange of ideas resulting from our initial meeting in January and further discussions with Mr. Patterson, and Mrs. St. John, Custodian of your Repository.

Sincerely yours,

[ ]
